CORAM : D.B.BHOSALE, JJ.
DATED : 10TH OCTOBER, 2007.

P.C.:

. Heard learned counsel for the parties.

2. This is the second bail application by the applicant. Earlier, his prayer for bail was rejected by the order dated 30.6.2006. It was rejected on merits. The applicant is 67 years old. This court is informed that the applicant has already filed paper book. The appeal was also placed on board for final hearing at one stage. However, now it is not on board for final hearing. Keeping that in view and considering the age of the applicant, liberty to the applicant to apply for bail after 31st January, 2008, that is, after one and half year from date of earlier order, if the appeal is not heard till then. If such application is filed, same may be placed before the regular court for hearing. With these observations this application is disposed of.
